**LEVELIZED BILLING**

Upon mutual agreement, a levelized monthly bill will be rendered based upon one-twelfth of the most recent 12 months usage, plus one-twelfth of the difference between billing and actual usage, plus other current charges (security light, loan payments and other contracts). This option may be applied to a consumer with less than 12-months actual usage based upon those months available.

**WHOLESALE POWER COMPONENT**

The Corporation’s rates are collectively prepared to recover the actual cost of wholesale power based on projected amounts. In order to assure that power costs are neither over collected or under collected from the members, any difference between actual wholesale power cost and projected cost will be reflected in subsequent rate schedules.

**INTEREST DURING CONSTRUCTION-ENVIRONMENTAL RIDER (IDC)**

This Corporation’s rates are prepared to recover the actual cost of wholesale power based on projected amounts. Wholesale power costs may be impacted by additional costs, including interest to construct new resources, deferred expenses/interest on new/acquired resources, and government mandated environmental costs/upgrades. In order to assure that power costs are neither over collected or under collected from the members and to manage projected costs, rates may reflect IDC charges in subsequent rate schedules.

**COGENERATION SERVICE RIDER**

The above rates shall be adjusted to those consumers of the Cooperative who qualify under Section 201 of the Public Utility Regulatory Policies Act of 1978 (PURPA) as a co-generator or small power producer by the amount determined under Rate Rider Q-1.

**GEOSYSTEMS LOOP RIDER**

**FACILITIES CHARGE RIDER**

A facilities charge will be added to the basic rate for the investment in facilities in excess of that which is normally required to furnish demand and energy to customers under this rate schedule. The facilities charge will be calculated as the dollar investment in facilities times a fixed monthly charge rate.

**OPERATION ROUNDUP RIDER**

Unless a member is prohibited as a matter of law from making charitable donations or opts out of Operation Roundup by giving the Cooperative written or oral notice that the member does not wish to participate, the monthly bill for electric service for each member account shall be rounded up so that there is added to each bill an amount of cents sufficient to make the bill equal to the next highest dollar amount. A member may prospectively opt out of Operation Roundup at any time by giving the Cooperative oral or written notice.

**TAXES**

In addition, the Consumer will pay the amount of any sales, use, franchise, or utility taxes for charges now or hereafter applicable to or arising out of the service rendered or made available under this schedule, which tax shall be added to each bill; unless the Consumer furnishes satisfactory evidence that it is exempt here from.
